# MMO Announces Over-the-Counter Zyrtec Available January 2008

Medical Mutual of Ohio has notified McGohan Brabender that on January 24, 2008, all forms of the popular allergy medication, Zyrtec, will be available over the counter. As a result, Zyrtec will no longer be covered under MMO and CLIC prescription drug plans. This applies to all dosages and all members. Medco will send a letter to past Zyrtec users explaining the change and including a coupon. Members who continue to order Zyrtec through Medco By Mail will pay the full price out of pocket.

If you have any questions, please contact your McGohan Brabender Account Representative at (800) 293-2347.
