

Anthem Reaches Agreement with Two Cincinnati Hospital-Based Radiology Groups

McGohan Brabender has received word that Anthem reached an agreement with two Cincinnati hospital-based radiology groups.

Anthem has reached agreement with two of the hospital-based radiology groups in Greater Cincinnati with whom they have been negotiating. Northeast Radiology, which is affiliated with Bethesda North Hospital, and Medical X-Ray Inc., which is affiliated with Good Samaritan Hospital, will be retroactively reinstated on all of Anthem's products effective 5/1/10, so all claims will be paid as though there was no lapse in these providers' participation in Anthem's networks.

Please contact your McGohan Brabender account team with further questions at (800) 293-2347.
