### **COVID-19 Relief Laws Require Paid Employee Leave**

There are two levels of this requirement. First is the expansion of the FMLA and second is the mandate to provide 80 hours of paid sick time to employees. This article provides more in-depth detail than what we provided before. Please read to confirm you have all the correct details.

### **Check Out This Math**

Check out this awesome video to explain how the Coronavirus spreads and the importance of quarantine. Warning: This may bring back some high school/college calculus night mares.

### **Employer Resources: Additional Information**

We have shared what the virus is, how to wash hands, what to do during quarantine, and now curiosity asks... How long does the Coronavirus live? When exposed to different surfaces, when does the virus lose the capability to spread?

### **Carrier Updates: Check MB Website Often**

We receive carrier updates daily and file them on our web-page, listed under the carrier name. These updates aren't just medical providers. They include the ancillary as well, with directions about how to handle coverage if laying off personnel, disability, and other situations that need to be addressed.

Obviously, if you have any questions that aren't answered on this page, contact a member of your account team.

## **Ultimate Software Webinar**

**Recorded and to be Shared on Tuesday March 24th**

If you were not able to attend this webinar, Friday at 1:00, please know it is recorded and will be available to share on Tuesday morning March 24th. We will

pass along the link once we receive. We cannot stress the importance of this webinar enough. Specific scenarios are being shared and given direction going forward. If you have a question that has not been addressed, please let us know and we may be able to get an answer from our ERISA attorneys at MB.

We will share the link on our daily update to assure you are able to view.
