
Good Morning,

The Dental Care Plus Group (DCPG) understands the extraordinary circumstances faced by everyone during this unprecedented time.

To reduce some pressure, DCPG is extending the 60-day grace period for premium payment (or administrative fee) to all of our employer group customers as defined by the Ohio Department of Insurance Bulletin 2020-03, regardless of their state of domicile. Specifically, this option includes deferring premium payments coming due, interest free, for up to 60 calendar days from each original premium due date.

If your groups are interested in exercising this option, in particular those groups with automatic premium payments via EFT, please contact your DCPG representative at (513) 554-1100 or (800) 367-9466, Monday - Friday, 8:00 AM - 4:30 PM.

Thank you for your partnership.
