NEWS BRIEF: CARES ACT ADDITIONAL FUNDING

The verbiage of the new aid package isn't complete quite yet, but an agreement has been made for an additional \$300 billion to replace both the Small Business Loan and the Paycheck Protection Programs. We will continue to monitor and share as changes are made public.

COVID-19 "HOW TO VIDEO"

CDC has provided another very informative video with guidance to care for someone, who has symptoms of COVID-19, and with whom you share a house. The key practice: observe if symptoms worsen, like chest pain, hard to arouse, or blueish face or lips. As far as containing the virus, if possible, do not share a bathroom, continue to disinfect, and treat symptoms with over-the-counter medications. Watch this video to determine when it is safe to stop the self-quarantine.

BE PREPARED: RE-OPENING A BUSINESS AFTER COVID-19

This may be a bit too soon, but no more than being prepared for when the time comes. Once the governors have lifted the flag, as a business owner or manager, you decide exactly how *open* you will be. You will have to consider the risk, the safety of your workforce, and other compliance consequences before pushing those doors wide open.

CDC ANSWERS - "WHAT DO I DO IF..."

CDC has also provided a very easy-to-read scenario cheat sheet. This doesn't provide all the fine details, but it does point you in the right direction. This one-page flyer helps with the "if this, than that" scenarios. Click and share.

SPECIAL LEARNING WEBINAR

Thursday, April 30th

LEADING THROUGH DISRUPTION

In this “new-Coronavirus world”, the words of Charles Darwin have never been more true: “It is not the strongest of the species that survives, nor the most intelligent, but rather the one most adaptable to change.” Spots are still available for this MB Special Webinar.

Thursday, April 30th, 10:00 AM - 11:30 AM
