## "Keep your Routine"

Today begins a series of videos that we would like to share with you. Joyages offers users a self-directed path through a robust offering of videos that teach skills for dealing with life's challenges. Think of it as social media mental health coaching. These sessions coach us on how to adjust to our new, but hopefully temporary, routine. Coach Claire Burnett stresses *that* exactly, keep your routine. Take-a-peek, she is fun! Pass it onto your at-home workforce. Stay tuned!
