FEDERAL AGENCIES ISSUE COVID-19 DEADLINE RELIEF FOR BENEFITS

Once again there has been a deadline extension for employers and their employees to comply with certain ERISA regulations. This deadline relief will be effective as of March 1, 2020 and will continue for an additional 60 days once the COVID-19 pandemic is no longer considered a national emergency.

KNOW YOUR BENEFITS

This updated list of FAQs is general guidance to employees and employers to understand the rights and responsibilities of the ERISA Act and how COVID-19

has affected these rules and regulations. It is imperative to know your benefits, now more than ever.
