MB COMMUNICATIONS GOING FORWARD

For approximately two months McGohan Brabender has been communicating with you each weekday, updating you on the COVID-19 government rulings, carrier updates, and HR compliance tools. As we all start our new normal, MB would like to get back to our regular communication pattern. Once a week, you will receive an auto-generated email with information specific to *your* preferences. This may or may not be COVID-19 related. However, if there is any Breaking News, we will send you a separate News Flash Update, much like we have been with our COVID-19 Updates, and other important news before the pandemic.

We will continue posting carrier and government updates on our COVID-19 Resource site.

If you have any questions or concerns, please reach out to your MB account team. We are here for you and your employees through this ever-changing and difficult time.
