### **COVID-19 COMPLIANCE UPDATE BENEFIT CHANGES AND REGULATIONS**

During this pandemic, it's been hard to keep up with the numerous legislative changes, ERISA considerations and the health plan updates and extensions. Basically, if it has something to do with employee law, it has been modified to accommodate the pandemic routine. This booklet provides a one-stop collection of these updates since the onset of the quarantine. We recommend you save a copy of this for reference, but if you are printing, it is over 40 pages.

**CONGRESS PASSES AMENDMENT TO PPP**

Congress has granted more flexibility to employers with how they can spend the Paycheck Protection Program funds. The bill still needs to go through the (School House Rock Bill) process, but President Trump is expected to approve this into law. We cannot stress enough the importance of reading the fine details of these provisions listed for the stimulus loan. There is flexibility and forgiveness, but make sure you are eligible and qualify.
