

McGohan Brabender Update

Today is Monday, July 13, 2020

It has been four months since the coronavirus pandemic has turned our world upside down. In the beginning, we bombarded you with rules, regulations, strategies, and suggestions. As we continue to battle this virus and approach the 'new normal' we are all striving for; we thought it might be a good idea to refresh your memory with pertinent articles. Click below for our website. Remember, we have three different pages:

1. **Carrier Information:** Updates from each of the carriers.
2. **Government/CDC/WHO:** This has Federal and State (Ohio, Kentucky, and Indiana) rulings and regulations.
3. **Employer Resources:** These articles suggest how to safely bring everyone back to the office, what to do if someone does test positive, and steps for possible furlough or layoffs. We have divided articles into subjects.
 - Business Impact
 - Communication
 - Compliance
 - FAQ
 - Letter Templates
 - Retirement Resources
 - Testing
 - Webinars
 - Well Being

- Working from Home
- Workplace

And if you would like to read any of the Daily COVID-19 updates, they are archived on our site.

We need to stay vigilant. Continue hand washing, social distancing, and facial coverings, especially if social distancing cannot occur.

Any questions, please contact a member of your account management team, and please stay safe.
