

COVID-19 Extension Flexibility

We are extending our flexibility on eligibility requirements until 3/31/21. Specifically:

We are relaxing our requirement for employees to be actively working in order to be eligible for coverage through March 31, 2021 as long as the monthly premium or fees are received. This applies to employees that were laid-off, furloughed or moved to part-time. Coverage must be offered on a uniform, non-discriminatory basis to all employees and employee premium contributions must be the same or less than what they were prior to the layoffs. This flexibility was set to expire on December 31, 2020, but in an effort to keep members covered we are extending to March 31, 2021.

Thanks,

Anthem, Inc.
